Re: United States v. Matthew Madonna  
17 Cr. 89 (CS)

Dear Judge Siebel:

The letter is respectfully submitted to request that Your Honor direct the United States Marshals Service to continue housing Mr. Madonna at the Westchester County Jail in Valhalla, New York.

In March of this year, was transferred from the MDC to Valhalla. The staff at the Valhalla facility determined that it was appropriate to house Mr. Madonna in the Infirmary Unit [REDACTED]

[REDACTED] As Your Honor knows, Mr. Madonna is 84 years old. He walks with a cane [REDACTED] The care that Mr. Madonna has been receiving in the Infirmary Unit enabled him to attend every day of a lengthy trial. Neither the MCC, nor the MDC, have medical housing units.

To ensure that Mr. Madonna continues to receive appropriate medical treatment, we respectfully request that Your Honor direct the United States Marshals Service to continue to house Mr. Madonna in the Valhalla facility at least through sentencing and designation to a Bureau of Prisons facility. I have been advised by Assistant United States Attorney Celia Cohen, that the Government takes no position on this request.

Respectfully submitted,
